

Liberty Bank Commercial Lending

Financial solutions for your business needs.

Commercial Real Estate

Acquire commercial property

If you are acquiring commercial or rental property, Liberty Bank can customize a financing package for your business. Liberty Bank can also help you build from the ground up.

Liberty Bank defines commercial property as facilities intended for commercial use and/or residential buildings with 4 units or more including churches and new construction.

Business Line of Credit

Manage your cashflow issues

With a Liberty Bank Line of Credit, you can increase inventory, make timely payrolls, and pay pressing bills.

The Liberty Bank Business Line of Credit provides you with the cash resources sufficient to meet your working capital needs. Best of all, you can borrow money at anytime up to your credit limit.

Business VISA Credit Card

Have quick access to funds for your business

With a VISA® Business Credit Card with ScoreCard Rewards, there is no longer a need to transfer funds between accounts, just swipe your credit card. Liberty Bank's VISA Business Credit Card gives you the convenience, tools, and savings to make running your business a little bit easier.

A Liberty Bank VISA Business Credit Card with ScoreCard Rewards will help you hold on to more of what you earn through rewards, discounts, and money saving offers.

Equipment Financing

Get the tools you need to purchase capital

Liberty Bank has the financing to help you get new computers, new desks or whatever tools your business needs. With flexible down payment and loan term options, you get your business ready today for success.

Liberty Bank typically finances equipment costs that exceed \$25,000.
